

# MSCI China Select SRI S-Series 10% Capped Index (USD)

The MSCI China Select SRI S-Series 10% Capped Index is based on the MSCI China Index, its parent index, and includes large and mid-cap securities of the Chinese market. The index aims to represent the performance of companies that are consistent with specific values and climate change based criteria, as well as a high minimum level of ESG performance. The Index is designed for investors seeking a diversified Socially Responsible Investment (SRI) benchmark comprised of companies with strong sustainability profiles while avoiding companies incompatible with values and climate screens. Constituent selection is based on research provided by MSCI ESG Research.

For a complete description of the index methodology, please see [Index methodology - MSCI](#).
