MSCI All Argentina 25/50 Index (USD)

The MSCI All Argentina 25/50 Index is designed to represent the performance of the broad Argentina equity universe, while including a minimum number of constituents. The Broad Argentina Equity Universe includes securities that are classified in Argentina according to the MSCI Global Investable Market Index Methodology, together with companies that are headquartered or listed in Argentina and carry out the majority of their operations in Argentina. The index targets a minimum of 25 securities and 20 issuers at construction. The index is designed to take into account the 25% and 50% concentration constraints required for a funds to qualify as a regulated investment company (RIC) in the United States. At each quarterly rebalance, no single index constituent may exceed 25% of the index weight, and the sum of all constituents with index weights greater than 5% may not exceed 50%.
