

# MSCI World with USA Gross Index (USD)

The **MSCI World with USA Gross Index** is designed to measure the performance of the large and mid cap segments across 23 Developed Markets (DM) countries\*. With 1,319 constituents, the index covers approximately 85% of the global investable equity opportunity set. The index is intended for US clients: its net daily total returns are calculated without deducting withholding taxes for all US-based constituents in the index. In other words, the returns for US-based constituents in the index are expressed as gross total returns.
