

## MSCI Completes Acquisition of Carbon Delta

**New York | Zurich, October 2, 2019** – MSCI Inc. (NYSE: MSCI), a leading provider of critical decision support tools and services for the global investment community, today announced that its subsidiary MSCI Barra (Suisse) Sàrl has completed its acquisition of Zurich-based environmental fintech and data analytics firm specializing in climate change scenario analysis, Carbon Delta AG (“Carbon Delta”). The agreement was originally announced on September 9, 2019.

Remy Briand, Head of ESG at MSCI, said: “The Carbon Delta team brings a depth of expertise unrivalled in the industry. We are excited to expand MSCI’s climate risk assessment capabilities through this acquisition, enabling global investors to better evaluate the investment risks associated with climate change and comply with climate risk disclosures and requirements.”

#### Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements relate to future events or to future financial performance and involve known and unknown risks, uncertainties and other factors that may cause actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these statements. In

some cases, you can identify forward-looking statements by the use of words such as "may," "could," "expect," "intend," "plan," "seek," "anticipate," "believe," "estimate," "predict," "potential" or "continue," or the negative of these terms or other comparable terminology. You should not place undue reliance on forward-looking statements because they involve known and unknown risks, uncertainties and other factors that are, in some cases, beyond MSCI's control and that could materially affect actual results, levels of activity, performance or achievements.

Other factors that could materially affect actual results, levels of activity, performance or achievements can be found in MSCI's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 filed with the Securities and Exchange Commission ("SEC") on February 22, 2019 and in quarterly reports on Form 10-Q and current reports on Form 8-K filed or furnished with the SEC. If any of these risks or uncertainties materialize, or if MSCI's underlying assumptions prove to be incorrect, actual results may vary significantly from what MSCI projected. Any forward-looking statement in this press release reflects MSCI's current views with respect to future events and is subject to these and other risks, uncertainties and assumptions relating to MSCI's operations, results of operations, growth strategy and liquidity. MSCI assumes no obligation to publicly update or revise these forward-looking statements for any reason, whether as a result of new information, future events, or otherwise, except as required by law.
