

MSCI USA Custom Sector Strategy Index (USD)

The **MSCI USA Custom Sector Strategy Index** is based on MSCI USA Index, its parent index and is designed to measure the performance of the large and mid cap segments of the US market. At the inception of the Index and at each quarterly rebalancing - coinciding with the MSCI Quarterly Index Reviews effective at the open of the first business day of March, June, September and December - each sector as defined in the Global Industry Classification Standard (GICS®) is given an equal weight.

For a complete description of the index methodology, please see [Index methodology - MSCI](#).

The MSCI USA Custom Sector Strategy Index was launched on Jan 27, 2014. Data prior to the launch date is back-tested test (i.e. calculations of how the index might have performed over that time period had the index existed). There are frequently material differences between back-tested performance and actual results. Past performance – whether actual or back-tested – is no indication or guarantee of future performance.

ABOUT MSCI

MSCI is a leading provider of critical decision support tools and services for the global investment community. With over 50 years of expertise in research, data and technology, we power better investment decisions by enabling clients to understand and analyze key drivers of risk and return and confidently build more effective portfolios. We create industry-leading research-enhanced solutions that clients use to gain insight into and improve transparency across the investment process. To learn more, please visit www.msci.com.
