

MSCI World Low Carbon SRI Leaders Index (USD)

The MSCI World Low Carbon SRI Leaders Index is based on the MSCI World Index, its parent index, and includes large and mid-cap stocks across 23 Developed Markets (DM) countries*. The index aims to represent the performance of companies that have low carbon transition risk than that of the broad market and have high Environmental, Social and Governance (ESG) performance. The Index excludes companies whose products have negative social or environmental impacts. Constituent selection is based on the research provided by MSCI ESG Research.
