

MSCI USA IMI Stakeholders Sustainability Select Capped Index (USD)

The MSCI USA IMI Stakeholders Sustainability Select Capped Index ('the Index') is designed to represent the performance of those companies that exhibit a commitment towards business ethics, human capital management, gender diversity, and community relations, and meanwhile avoiding controversies related to employees, diversity, and community. The Index incorporates MSCI Quality Score to select securities exhibiting stronger quality characteristics based on three main fundamental variables: high return on equity (ROE), stable year-over-year earnings growth and low financial leverage.

For a complete description of the index methodology, please see [Index methodology - MSCI](#).

The MSCI USA IMI Stakeholders Sustainability Select Capped Index was launched on Nov 01, 2022. Data prior to the launch date is back-tested test (i.e. calculations of how the index might have performed over that time period had the index existed). There are frequently material differences between back-tested performance and actual results. Past performance – whether actual or back-tested – is no indication or guarantee of future performance.

ABOUT MSCI

MSCI is a leading provider of critical decision support tools and services for the global investment community.
