# MSCI USA ESG Leaders Select Sustainability Index (EUR)

The MSCI USA ESG Leaders Select Sustainability Index* is based on the MSCI USA Index, its parent index, and includes large and mid-cap securities of the U.S. equity markets. The index aims to represent the performance of an investment strategy that selects securities of companies that have high Environmental, Social and Governance (ESG) ratings relative to their sector peers and reweights the constituents to meet additional climate requirements imposed.

For a complete description of the index methodology, please see Index methodology - MSCI.

The MSCI ESG Indexes use ratings and other data supplied by MSCI ESG Research Inc, a subsidiary of MSCI Inc.

*A custom index calculated by MSCI and based on criteria defined by Nykredit Bank A/S.

The MSCI USA ESG Leaders Select Sustainability Index was launched on Nov 25, 2020. Data prior to the launch date is back-tested test (i.e. calculations of how the index might have performed over that time period had the index existed). There are frequently material differences between back-tested performance and actual results. Past performance -- whether actual or back-tested -- is no indication or guarantee of future performance.

ABOUT MSCI

MSCI is a leading provider of critical decision support tools and services for the global investment community. With over 45 years of expertise in research, data and technology, we power better investment decisions by enabling clients to understand and analyze key drivers of risk and return and confidently build more effective portfolios. We create industry-leading research-enhanced solutions that clients use to gain insight into and improve transparency across the investment process. To learn more, please visit www.msci.com.
