

# MSCI Transatlantic Select Green 50 Index (EUR)

The MSCI Transatlantic Select Green 50 Index aims to represent the performance of the largest 50 stocks by free-float market capitalization from USA and Europe that offer products and services that contribute to an environmentally sustainable economy through efficient use of limited global natural resources. The MSCI Transatlantic Select Green 50 Index also excludes companies that are involved in the production of controversial, nuclear or conventional weapons, as well as those that are involved in environmental and ESG controversies.

For a complete description of the index methodology, please see [Index methodology - MSCI](#).

The MSCI Transatlantic Select Green 50 Index was launched on Jun 04, 2021. Data prior to the launch date is back-tested test (i.e. calculations of how the index might have performed over that time period had the index existed). There are frequently material differences between back-tested performance and actual results. Past performance – whether actual or back-tested – is no indication or guarantee of future performance.

## ABOUT MSCI

MSCI is a leading provider of critical decision support tools and services for the global investment community. With over 50 years of expertise in research, data and technology, we power better investment decisions by enabling clients to understand and analyze key drivers of risk and return and confidently build more effective portfolios. We create industry-leading research-enhanced solutions that clients use to gain insight into and improve transparency across the investment process.
