

# MSCI World Universal Select Catholic Principles and Low Carbon Index (USD)

MSCI World Select Catholic Principles Universal and Low Carbon Index (the "Index") is designed to represent the performance of a strategy that aims to select companies having lower carbon exposure and higher Environmental, Social and Governance (ESG) performance than that of the broad market, while excluding companies that are involved in controversial businesses like weapons and firearms, gambling, adult entertainment, etc. The Index also excludes companies that are involved in abortion and contraceptives, stem cell research, animal testing, and fossil fuels.

For a complete description of the index methodology, please see [Index methodology - MSCI](#).
