

MSCI World Select Catholic Principles ESG Universal and Low Carbon Index (USD)

MSCI World Select Catholic Principles ESG Universal and Low Carbon Index (the "Index") is designed to represent the performance of a strategy that aims to select companies having lower carbon exposure and higher Environmental, Social and Governance (ESG) performance than that of the broad market, while excluding companies that are involved in controversial businesses like weapons and firearms, gambling, adult entertainment, etc. The Index also excludes companies that are involved in abortion and contraceptives, stem cell research, animal testing, and fossil fuels.

For a complete description of the index methodology, please see [Index methodology - MSCI](#).

The MSCI World Select Catholic Principles ESG Universal and Low Carbon Index was launched on Jan 30, 2024. Data prior to the launch date is back-tested test (i.e. calculations of how the index might have performed over that time period had the index existed). There are frequently material differences between back-tested performance and actual results. Past performance – whether actual or back-tested – is no indication or guarantee of future performance.

ABOUT MSCI

MSCI is a leading provider of critical decision support tools and services for the global investment community. With over 45 years of expertise in research, data and technology, we power better investment decisions by enabling clients to understand and analyze key drivers of risk and return and confidently build more effective portfolios. We create industry-leading research-enhanced solutions that clients use to gain insight into and improve transparency across the investment process. To learn more, please visit www.msci.com.
