

MSCI World Custom ESG Index (USD)

The MSCI World Custom ESG Index is based on the MSCI World Index, its parent index, and includes large and mid-cap securities across 23 Developed Markets (DM)* countries. The index is a custom index based on customized ESG screening criteria selected by Northern Trust. It aims to exclude companies that do not comply with UN Global Compact Principles, are involved in the production or sale of tobacco products, are involved in for profit prisons or are involved in the production of controversial weapons.

The MSCI World Custom ESG Index was launched on Aug 08, 2013. Data prior to the launch date is back-tested test (i.e. calculations of how the index might have performed over that time period had the index existed). There are frequently material differences between back-tested performance and actual results. Past performance – whether actual or back-tested – is no indication or guarantee of future performance.
