

MSCI USA 80 Concentrated Index (USD)

The MSCI USA 80 Concentrated Index* is based on MSCI USA Index and is optimized to select largest 80 securities from the parent index such that it minimizes the ex-ante tracking error with respect to the MSCI USA Index.

For a complete description of the index methodology, please see [Index methodology - MSCI](#).

SECTOR WEIGHTS

*A custom index built by MSCI based on the criteria provided by BMO Wealth Management is constructed from the MSCI USA Index (the "Parent Index").

The MSCI USA 80 Concentrated Index was launched on Dec 21, 2022. Data prior to the launch date is back-tested test (i.e. calculations of how the index might have performed over that time period had the index existed). There are frequently material differences between back-tested performance and actual results. Past performance – whether actual or back-tested – is no indication or guarantee of future performance.

ABOUT MSCI

MSCI is a leading provider of critical decision support tools and services for the global investment community. With over 45 years of expertise in research, data and technology, we power better investment decisions by enabling clients to understand and analyze key drivers of risk and return and confidently build more effective portfolios. We create industry-leading research-enhanced solutions that clients use to gain insight into and improve transparency across the investment process. To learn more, please visit www.msci.com.
