# MSCI USA Top 50 Dividend Index (USD)

The MSCI USA Top 50 Dividend Index is based on the MSCI USA Index, its parent index, which includes large and mid-cap stocks across USA. The index aims to reflect the performance of 50 securities from the MSCI USA Index, selected by dividend yield that have increased or maintained their dividend per share compared to the previous year or have increased or maintained their payout ratio (defined as dividend per share/earnings per share) if the dividend per share has dropped by up to 10%.

For a complete description of the index methodology, please see Index methodology - MSCI.
