

MSCI World Dividend Growers Low Volatility Select 50 Index (USD)

The MSCI World Dividend Growers Low Volatility Select 50 Index is based on the MSCI World Index, its parent index, and includes large and mid-cap securities across 23 Developed Markets (DM)* countries. The index aims to represent the performance of a strategy that seeks higher dividend yield and lower risk than the MSCI World index along with dividend growth and dividend sustainability characteristics. The index aims to achieve diversification with country and sector constraints.

For a complete description of the index methodology, please see [Index methodology - MSCI](#).
