

# MSCI PIMFA Equity Risk Indexes 1-5(GBP)

MSCI, in collaboration with the Personal Investment Management and Financial Advice Association (PIMFA), has created the MSCI PIMFA Equity Risk Index Series consisting of five composite indices designed to represent the weightings, and show returns of, selected multi-asset class strategies of UK Wealth firms. The indices can be used to measure and compare portfolio performance in financial product information documents and client portfolio statements.

The MSCI Multi-Asset Indexes: MSCI PIMFA Equity Risk index series was launched on November 1, 2019. Data prior to the launch date is back-tested data (i.e. calculations of how the index might have been performed over that time period had the index existed). There are frequently material differences between back-tested performance and actual results. Past performance – whether actual or back-tested – is no indication or guarantee of future performance.
