

# MSCI USD High Yield Corporate Bond Index

The MSCI Corporate Bond Indexes are designed to serve as a measure of performance of the credit markets. They aim to represent relative performance at various levels of the investment process. The indexes are rules based with consideration towards factors like size, maturity and credit rating and are designed to be replicable by investors irrespective of their domicile.

\*Over rebalance of last 12 months

The MSCI USD High Yield Corporate Bond Index was launched on Jun 29, 2020. Data prior to the launch date is back-tested data (i.e. calculations of how the index might have performed over that time period had the index existed). There are frequently material differences between back-tested performance and actual results. Past performance – whether actual or back-tested – is no indication or guarantee of future performance.
