MSCI GLOBAL VALUE AND GROWTH INDEX SERIES AUGUST 2006 QUARTERLY INDEX REVIEW

Geneva, August 17, 2006. MSCI Barra, a leading provider of benchmark indices and risk management analytics products, announced today changes to the MSCI Global Value and Growth Index Series that will be effective as of the close of August 31, 2006. These changes result from the August 2006 Quarterly Index Review of the MSCI Standard Index Series.

Effective as of the close of August 31, 2006, Pan Fish (Norway), Nan Ya Printed Circuit (Taiwan), Nine Dragons Paper (China) and Rayong Refinery (Thailand) will be fully allocated to the MSCI Global Growth Index Series. Formosa Petrochemical (Taiwan) will be partially allocated to the MSCI Global Value and Growth Index Series with a Value Inclusion Factor of 0.35.

As a reminder, style reviews during Quarterly Index Reviews are only conducted for new additions to the MSCI Standard Index Series. All securities deleted from the MSCI Standard Index Series as a result of the Quarterly Index Review will also be deleted from the MSCI Global Value and Growth Index Series.

In addition, there will be changes for certain constituents resulting from the quarterly review of free float estimates and quarterly updates in number of shares for the MSCI Standard Index Series, which will also be effective as of the close of August 31, 2006.

The results of the August 2006 Quarterly Index Review for the MSCI Standard Index Series, the MSCI Small Cap Index Series, the MSCI US Equity Indices, the MSCI US REIT Index, the MSCI Kokunai Japan Equity Indices, the MSCI Pan-Euro and Euro Indices, the MSCI China A Index and the MSCI China A Value and Growth Indices have also been posted on MSCI's web site at www.mscibarra.com.
